## BAG MITT/FOCUS PAD COMBO

## VIP CHALLENGER BAG MITT / FOCUS PAD COMBO

### FEATURES

#### BAG MITTS:

- Multi Layered GEL Foam padding for maximum shock absorption
- Synthetic PU Leather outer skin
- Specially designed material that act as air vents to keep the palm cool whilst in the bag mitt
- Fully covered thumb provides extra protection
- The long cuff provides added strength and stability
- The Sportline 3D inner lining with contoured design provides a comfortable cushioned fit as well as allowing increased airflow throughout the glove
- Oversized 3" Velcro Strap which provides a secure fit and reduces strap abrasion

#### FOCUS PAD:

- Synthetic PU Leather outer skin
- 'V' Shape Curved Focus Pads
- 10.5" long with 1.5" thickness
- Wedge for wrist support and protection
- Triple-Layer of Polyethylene Foam
- Air flow system for comfort
- Foam covered padding for finger protection
- Internal Padded Palm Support
- HD cup promotes better hand position and reduces joint stress
- Padded wrist Supports
- Front and Back Eva Padded
