VIP CHALLENGER BAG MITTS

FEATURES

- Multi Layered GEL Foam padding for maximum shock absorption
- Made of outer skin synthetic PU Leather
- Specially designed material that act as air vents to keep the palm cool whilst in the bag mitt
- Fully covered thumb provides extra protection
- The long cuff provides added strength and stability
- The Sportline 3D inner lining with contoured design provides a comfortable cushioned fit as well as allowing increased airflow throughout the glove
- Oversized 3" Velcro Strap which provides a secure fit and reduces strap abrasion

Pu leather thickness:

0.8mm

Mould:

Made of 15mm Underlay Foam with 5mm Eva Foam

Cuff:

10mm Eva Cuff Padded
